Daly City Record

Daly City—Gateway to The Peninsula One of the Most Rapidly Growing And Developing Cities In Northern California

PUBLISHED THURSDAY | DALY CITY, SAN MATEO COUNTY, CALIFORNIA, THURSDAY, MAY 13, 1948 | VOL. 45, NUMBER 15

FURTHER DISCUSSIONS WERE HELD TUESDAY ON ANNEXATION PROPOSAL

Further discussion concerning the annexation of Westlake, subdivision of Harry Doelger Builder, Inc. were held last Tuesday when the City Council met with Doelger representatives to work out details of the annexation proposal.

Agreement has been reached on such subjects as zoning, sizes of lots, and the installation of all utilities, such as streets and sidewalks, sewers, water system and fire alarm system, which will be installed at no expense to the city. This week's discussions covered the fine points of assessment for taxation, landscaping of a ten foot parkway along State Highway No. 56, and location of park and reservoir sites.

It is expected that a public hearing on all elements of the annexation plan will be held sometime in late June, after tentative agreement has been reached on all phases of the proposal. The Doelger interests plan to begin construction of the first units in July, and completion of the first two units will add approximately 700 new homes to Daly City.

The first development will be west of Junipero Serra Blvd., between San Francisco and Lake Merced Golf Courses, and will extend to the intersection of Lake Merced Blvd. with Coast Highway No. 56. The second phase of the development will cover the area west from Lake Merced Blvd. to the Skyline Blvd. and, when completed, Daly City will extend virtually to the Pacific Ocean.

Local Man Leaves For Italy Visit

Rudolph Osbic, 172 Mateo avenue, was among a group of 14 Italian-Americans from northern California to leave LaGuardia Field Tuesday aboard a TWA airliner for Geneva, Switzerland, and northern Italy points.

Councilman Says Ambulance Needs Oxygen Equipment

Declaring that only complete first aid and emergency equipment can give adequate protection to lives in the northern end of the county, Councilman Paul Green this week requested County Executive Frederick Peterson and Supervisor Edward McDonald to install oxygen equipment and inhalators in the county ambulance which is maintained at the City Hall.

Both county officials have promised to give attention to the matter. Green contends that the high rate of county taxes paid by merchants and citizens in Daly City entitles them to expansion of county facilities in this area.

High School Poppy Poster Awards Presented Monday

Mrs. Vivian Pahlka, poppy chairman for the local American Legion Auxiliary, and Mrs. Rose Giorni, auxiliary president, presented awards to winners of the recent Poppy Poster contest Monday at an assembly in the high school.

Winner of the Class III award for first place was Bernardo Merino, whose sister, Magdelena Merino, won second prize in the Class II contest. Second prize in the Class III contest went to Madie Irons, while Jacky Eberle won third.

'Braziliana' Costumes Exotic

Pictured above is lovely Terrie Gomes, one of the 70 "Aquabeauties" appearing in "Braziliana," Jefferson Union High School's 1948 aquacade. Costumes were designed especially for the water pageant by Roy De Vincenzi, local artist.

Construction To Start At Wilson Primary School

Construction of four new rooms at Woodrow Wilson primary school was given the green light Tuesday night by the elementary district board of trustees, in session at the administration building.

A large crowd — characteristic of the audience at school board meetings of late — was present to greet Mrs. Nell Dorrance ,hwo resigned her post as trustee last month when she moved to Jackson. Mrs. Dorrance, here on a visit, was welcomed with a demonstrative round of applause.

Mario Ciampi, architect who has contracted for work on the district's immediate "austerity" program of construction, was directed to begin plans immediately for the two classrooms and two kindergarten rooms tagged for Woodrow Wilson primary. Plans for the remainder of the district's 19-room "interim" construction program must await further action on the acquisition of sites.

Meanwhile, the board decided to complete payment on the 6½ acres already purchased for a Garden Village school site. Appraisals of 10 additional acres adjoining the Garden Village site now are underway. An 8-room building, including seven classrooms and one kindergarten room, is earmarked for this location under the interim plan.

The remaining seven rooms, according to latest developments, may be erected for upper grade classes on a five-block site at Hillside boulevard and Market street. Appraisal on this site also is being conducted.

Merchants Back Football Team; Coach Named

Largely through the efforts of Frank Lombardi and other local merchants, Daly City is in the very near future to have a local semi-pro football team. In past years there has existed much talk of sponsoring such a team by having the financial backing of some local business or group of businessmen, but nothing ever came of it. Since the war's end, speculation on such an enterprise mounted, and within the last month things started to happen.

Through the relentless drive of some local boys and the keen imagination of youth, the organization of the "Daly City Athletic Club" took place.

Harland Ferrando, Jefferson High football star from '37 to '39, was appointed coach. Immediately, negotiations to secure the high school football field for the home games was put into action. Many other small, seemingly insignificant matters were made ready, and then the biggest stumbling block was hurdled.

Cost for equipping a 26-man team would amount to the sum of $1600, which the new organization in its infancy did not have. It was then that Frank Lombardi promised to contribute $100 toward the equipment fund. He then in turn got the cooperation of many other leading merchants and at this time the needed goal is nearing the half way mark. The present members of the Daly City Athletic Club have expressed their sincerest thanks for the cooperation of all those who have helped to give the new team a start, and have promised them they will have no disappointments. Anyone interested in signing up for the team tryouts, or in contributing towards the equipment fund can do so at the Spudnut Shop on Mission street, by asking for Bob Plyer or Richard Selmi.

The team is to be a member of the California State League, and will play a traditional rival in South San Francisco, which also has a football team in the same league.

Most of the team members will be from a strictly local source — from in and around Daly City.

The Daly City Athletic Club, as the new organization will be called, has for a future perspective an all-out sports program for Daly City. This will include basketball, football, baseball and any other sport that would help to create an interest for the explosive energy of youth. The organization is open for membership to anyone who is interested, not just in sports alone but for the perpetual betterment and improvement of the community.

Community spirit and cooperation for the City of Daly City, and the enjoyment of athletics for the city's youth are the chief objectives of the Daly City Athletic Club.

Daly City has always been sports minded as a town, and this is particularly true of football. It is because of this that this new organization is looking forward with a hope of growing success in the future.

EAGLES' CHAMPION BOWLING TEAM

Members of the champion bowling team of the Colma - Vista Grande Aerie of Eagles pose for the cameraman after a victorious game. Left to right: Nate Pearlman, Julie Selmi, Guido Lazzeri, Bill Watson and Dick Crane.

Edward J. Dennis Files For Recount

Judges, inspectors and clerks in the April 13 election of Daly City councilmen were charged with malconduct this week in a suit filed by Edward J. Dennis in San Mateo County Superior Court.

Dennis, filing a suit for immediate recout under the supervision of a judge, claims there were vote-counting errors in all of Daly City's 13 precincts. Seventy-two ballots, he charges, were thrown out and there was "general misconduct on the part of judges, inspectors and clerks."

The April 13 election which resulted in the defeat of Dennis and his running mate, Daniel A. Dolan, saw Fred Bertetta win by 23 votes over the incumbent. Dennis charges that at least one illegal vote was allowed Bertetta in each precinct, while absentee ballots were not even counted in Precincts I and H.

Moreover, Dennis charges, the board of election officers were "advised as to the tallying of ballots and votes" by unofficial citizens at Precinct F.

Man Falls Dead On Golf Links

David Balkan, 44, of 44 Parker avenue, San Francisco, was pronounced dead at Junipero Serra Hospital last Sunday after he collapsed at the Lake Merced Golf Links.

Balkan was taken to the hospital by a friend, Harry Golsom, of 65 Fortuna avenue, when he fell on his face while playing golf on the Lake Merced course.

Deputy Coroner Ida Mae Lasswell said death had resulted from a heart attack.

Three Are Fined For Drunkenness

One man was convicted of drunk driving and two pleaded guilty to charges of drunkenness in and about an auto last week before Municipal Judge William J. Sweeney.

Ted Magee, 135 South Hill boulevard, San Francisco, was sentenced to 30 days in the county jail, with 15 days suspended, and fined $100 on his third conviction of drunk driving. Magee was arrested May 2 while driving "eratically" through a safety zone at Mission and Crocker streets.

Wilfred Ewart Lrney, 2237 Ulloa street, and his daughter, Marilyn Wilma Larney, 548 Holloway street, San Francisco, were fined $50 each with $25 suspended when they pleaded guilty to drunkenness in and about an automobile on two separate counts. The Larneys were arrested May 2.

Former Localites To Participate In Calaveras Fair

Two former Daly City residents will participate next Sunday in the famed Centennial and annual Frog Jumping Jubilee of Calaveras County at Frog Town in Angels Camp.

Miss Lorraine Wall will take part in the pageant, wearing a colorful, authentic costume of 1885, while Miss Audrey Wall will ride her horse, "Brownie."

Bud Heidi, popular radio announcer, will narrate the pageant, of which Mrs. Phil Girodi is in charge.

Special Worship Sunday At Ocean View Community Church

The topic, "The Modern Need of Gift of Tongue" will be covered this Sunday by the Rev. Joseph Bennett in his sermon at 11 a.m. worship services in the Ocean View Congregational Community Church on Broad street.

Sunday services are held at 11 a.m. immediately after Sunday school. Care is provided for younger children.

Firemen's Ball Slated May 22 At High School

By Mel Hanson

The Widows' and Orphans' Association of the Daly City Fire Department wishes to announce and to invite each of you to attend their Annual Ball at the Jefferson Union High School auditorium Saturday evening, May 22.

To better acquaint you with the functions of the Widows' and Orphans' Association may we point out the fact that the firemen now serving the community are not provided with any death benefit or insurance by the City of Daly City. However, the city does provide a policy for injury or accident at a fire.

In order to provide for the widows and orphans of the firemen, the fire department has organized the Widows' and Orphans' Association, which in turn holds an annual ball to raise funds to provide each fireman with an insurance policy which pays $1,000 upon death.

Since the existence of the association, many widows and orphans have benefited.

This year, as last, we have been very fortunate to secure Phil Bovero and his National Broadcasting Company orchestra, and a good time is in store for all.

We of the Widows' and Orphans' Association sincerely request your support in making our Annual Ball as huge a success as it was last year.

Tickets are now on sale and may be purchased from any local fireman.

Colma Cancer Drive Lagging, Officials Claim

A total of $103 is yet to be raised if the Colma district (including Colma incorporated and unincorporated areas, Broadmoor and Garden Villages) is to reach its $130 quota in the American Cancer Society's drive for funds.

According to officials of the Colma drive, funds total only $27 to May 1. "We believe that many persons have been slow in mailing contributions, and urge them to do so soon in order to help us reach our goal," officials said.

Contributions may be mailed to the American Cancer Society, 18 Second avenue, San Mateo, or care of CANCER, San Mateo, California.

Man Fined On Three Counts Of Agricultural Code Violation

Dominic Russo, 1876 Junipero Serra boulevard, was fined $50 with $25 suspended in municipal court Tuesday for violation of the agriculture code.

Russo pleaded guilty to three counts preferred by M. J. Cresta, agriculture inspector. With his fine, he was given one year probation.

One Dead, Seven Injured In Auto Mishaps This Week

Eight persons were injured—one fatally — in automobile accidents during the past week in and around Daly City.

Lorenz Barcellone, 18-month-old son of Ferdinando and Rose Barcellone of Half Moon Bay, died early this morning of injuries sustained in a two-truck accident on Highway No. 1 near the V. The baby died, according to hospital attendants, of multiple leg fractures, a fractured skull and crushed chest. His mother, meanwhile, suffered a concussion and a fractured leg, and his father a fractured pelvis.

Byron Kimler, 79 Vendome avenue, was treated at Junipero Serra Hospital and released to Community Hospital Tuesday after an accident at El Camino Real and Junipero Serra boulevard. Police said Kimler sustained a leg fracture when his motorcycle, rolled down a steep embankment near the intersection.

A San Francisco man, Paul May, 47, was transferred to French Hospital in San Francisco Monday after treatment at Junipero Serra Hospital for a fractured skull sustained in an accident on the Coast Highway near Sharp Park. According to the highway patrol, May jumped out of the rear door of an automobile in which he was riding. His condition was termed "good" by hospital attendants.

Merle R. Rude, San Francisco, and his wife Mildred suffered minor injuries last Sunday in an intersection collision at Washington and Briggs streets in Colma. John H. Roush, of Colma, driver of the other car, suffered chest bruises. They were treated at Junipero Serra Hospital.

Mrs. Muriel Smith, of 449 Santa Barbara avenue, suffered minor foot injuries while trying to push her car out of the garage. Police said Mrs. Smith was injured when her car went out of control and crashed into a car parked next door.

Ernest Foss, 139 Werner street, sustained cuts and bruises of the head, elbows and ankles last Saturday when he was struck by a truck in front of 7340 Mission street. Police said Foss was hit when he stepped out of his parked car.

Gene Keagle Dies Of Heart Attack

Funeral services were held Tuesday for Gene Keagle, 37, auto court proprietor, who died five minutes after being admitted to Junipero Serra Hospital last Friday.

Keagle, who had been under a doctor's care for the past year, was stricken with a heart attack at his home, 2169 Junipero Serra boulevard.

He was a former member of the San Mateo County sheriff's posse, and the Colma - Vista Grande Aerie of Eagles. Survivors include his widow, Hazel; two daughters, Beverly Jean and Judith Arlene; his father, Claude Keagle, and three sisters, Mrs. Lillian Buckley, Mrs. Claude Craig and Miss Ruth Keagle.

Services from the chapel of W. C. Lasswell Mortuary were followed by inurnment at Cypress Lawn Memorial Park.

FIRE COMMISSIONERS REQUEST COUNCIL TO PURCHASE LOT

Jack Z. Anderson Speaks Wednesday At Lions Dinner

Congressman Jack Anderson of the Eighth Congressional District will be guest speaker next Wednesday night at a special dinner meeting of the Daly City - Colma Lions Club.

President Stanford Hannah this week extended an invitation to the public to attend the meeting, and hear a review of the past session of the House by their representative.

The dinner is slated for 8 p.m. at Estrada's Spanish Kitchen on El Camino Real. Joseph Sarto, JUniper 7-7171, or Hugh Smith jr., JUniper 7-5858, will take reservations. Dinners are priced at $2 per plate.

A question - and - answer period will be conducted by the speaker after his address.

Poppies Arrive For Distribution By Legion Auxiliary

Memorial poppies which the people of Daly City will wear in honor of the war dead on Poppy Days, Friday and Saturday, May 21 and 22, have been received by the Daly City unit of the American Legion Auxiliary. The shipment came from Palo Alto Facility, where the little red flowers were made by disabled veterans of both world wars working under supervision of the California Department of the Auxiliary.

"Making these flowers has provided interesting employment for veterans at the hospital all during the winter and spring months," explained Mrs. Vivian Pahlka, poppy chairman of the Auxiliary unit. "It has helped keep their hands and minds busy, relieving them of long hours of tedium and contributing its occupational therapy value toward their recovery.

"Poppy making has given these veterans the encouraging experience of being able to earn money again, often after many months of idleness. They are paid by the Auxiliary for each poppy they make and are able to earn helpful amounts during the poppy-making season.

"Much of the money is sent home by the veterans to help support their wives and children, who often have a difficult time when the veterans require hospitalization and are unable to work for long periods. It gives the veterans a decided lift in morale when they are able to send something to their families. Those without dependents use the money to create a nest egg for themselves against the day when they leave the hospitals and endeavor to re-establish themselves in life.

"The poppies are fashioned by hand, veterans working in their beds, in wheel chairs or in occupational therapy shops. Materials are provided by the Auxiliary and the finished products collected regularly by Auxiliary workers. The flowers are made of crepe paper in replica of the little wild poppies of France and Flanders, which grew on the battlefields and cemeteries of the two world wars."

Daly City Band Needs New Players

The Daly City Band, an organization which has done as much as any local group in winning distinction for Daly City, has met with an impassible obstacle in the matter of personnel.

Conductor George Brenner, in a letter this week to the Record, said the band will have to recruit more players to replace those going into the armed forces if it is expected to maintain its high record of achievement.

The letter:

"The Daly City Band will loose several members to the armed services this year. As a result, the band is calling for new players. Anyone living in Daly City who has had the experience and is able to handle standard music is urged to join immediately.

"This year marking the start of the state's centennial celebrations, many important events will call for the band's appearance. In order to maintain our high standard, additional players must be secured immediately.

"We urge all interested to contact Bandmaster George Brenner at PRospect 5-6043 during the day, or report to Fire Station No. 5, corner of Oliver street and Bellevue avenue, any Tuesday at 8 p.m., when weekly rehearsals are held."

Annexation of Westlake subdivision, large Henry Doelger tract adjoining Daly City's western boundaries, was seen as a sure thing this week as the city council sent its counter-proposal to the developer's offices in San Francisco.

The tract in question would enlarge the corporate territories of Daly City by some 400 acres, providing 3,000 new homes for the city's tax rolls and rendering it the largest city in north San Mateo county.

The council's counter-proposal, read at the regular session Monday night, was largely comparable to the developer's written proposal for annexation studied last week in caucus.

A comparison of the two proposals showed agreement that the Doelger company should install all streets, sidewalks, electroliers, sewers, water systems, hydrants and fire alarm system, to be financed solely through an assessment district with no additional cost to Daly City;

That the developer should employ an engineer and an attorney of his own choosing and should be responsible for their expense, and that all development procedures should be subject to inspection by the city council;

That a 10-foot parkway should be provided and planted by the Doelger company from Highway 36 to the northerly service road of the tract, and that responsibility for maintenance of the parkway should thereafter lie with the city;

That the city council should pledge its assistance in engineering the acquisition of adequate transportation facilities into the development when population warrants, and that the city should apply to San Mateo county for development of White street, connecting the tract with the school area north of the subdivision.

Annexation of the Westlake territory was the largest item on Monday night's agenda, although numerous phases of the city's business were taken up. Among these were several communications from the Daly City Board of Fire Commissioners.

The council authorized the new fire committee to study a request by the commissioners for the allocation of $3,000 to purchase a lot at Werner and School streets for department use; to investigate the advisability of installing a direct telephone line from the Daly City Police Department to the Colma firehouse, on request of the Colma Fire District, and to study the recommendations of four appointments to the board of commissioners.

The council also accepted the resignation of Albert P. Revera and John C. Craig from the fire department, and ratified the appointment of Lew Kinbar as captain of Company 6.

All aspects of the construction of a "cloverleaf" right-of-way at Junipero Serra boulevard and Highway 56 will be investigated by the streets committee, under order of the council. The police committee was directed to study a petition for installation of arterial stop signs on Westlake avenue between Mission street, and a blinking traffic light at Mission and Westlake.

Permission to install underground conduits at Hillside boulevard and Thiers street, and at Abbot avenue and Bismark street was granted the Pacific Telephone and Telegraph company.

At its caucus next Monday night, the council will hear arguments on a request by the Daly City Scavenger company for an increase in rates. Through its attorneys, Fahey, Bocci and Gallen, the company has requested an increase from 35 cents monthly per can to 75 cents.

Health Department Completes Program Of Immunization

The yearly immunization program in Jefferson Elementary Schools was brought to a close April 29, with 517 children registered on the immunization lists.

Dr. J. Paul Sweeney, who is employed by the San Mateo County Health and Welfare Department for clinic and immunization services, administered the vaccines and toxoids.

A total of 257 children were vaccinated against smallpox; 127 received the combination diphtheria and whooping cough toxoid, and 133 were immunized against diphtheria alone.

Dr. Sweeney was assisted by Miss Ivah Fugina, district public health nurse; Mrs. Sylvia Eastham, school nurse, and these mothers:

Mesdames Dorothy Norley, Verna Paoli, Edna Van Vliet, Lois Adami, Ada Schultheis, Dolly Gensel, Betty Kohlbrenner, Thelma Holcomb, Frances Nenstiel and Carol Freeland.

Hanson Interviews Marine Recruiter At City Hall

By Dave Hansen

Marine Recruiting Sergeant William Pascoe has landed at the city hall, and has the situation well in hand.

The Daly City recruiting office is an outgrowth of the San Francisco recruiting office at 90 Golden Gate avenue. The purpose of the new office is to offer the opportunity of service with the US Marines to forthcoming graduates of Jefferson Union High School.

Requirements for a potential Marine to meet are high, but the return realized is ample. Qualified seventeen year olds are offered duty and adventure with a highly specialized, healthy, well tailored, respected outfit of the finest fighting men — the US Marines.

Complete information on enlistment may be received at the recruiting office, Daly City city hall, from Sergeant Pascoe. There is no obligation for asking; reenlistments are also being accepted.

Sergeant Pascoe is a 'young old-timer.' He has been around in his seven years in the Corps. The hash-marked sergeant who hails originally from Denver, Colorado, was raised for the most part in Texas.

His wartime duty was served aboard the aircraft carrier USS Saratoga. His collective sea duty adds up to 33 months, during which time he was a 40 mm gun director.

The 6 foot 1 inch Leatherneck sports five ribbons on the breast of his red and gold trimmed dress blues; he wears the Good Conduct Medal, American Defense Medal, and the Victory Medal, and theater ribbons denoting service in the American and Asiatic-Pacific theaters of war.

Pascoe has blue eyes, brown hair, is married, and lives in Guam Village (a Navy housing unit) located along Alemany boulevard. He is the father of a little girl; expects another one "sometime next month."

"I like doing duty here in Daly City," the sergeant said when interviewed. "People here are friendly and helpful. With the draft coming up and what we have to offer, I hope to enlist a good number of recruits from this section."

Marine veterans may receive American Defense and Victory Medals upon presenting their discharge papers. It is expected that Good Conduct Medals will be available soon.

Hillcrest Druids Install Officers

Cecelia Edeniger, new arch druidess of Hillcrest Circle, United Ancient Order of Druids, took over her executive post last Monday at a public installation ceremony at the Masonic Hall.

Madeline Fellows, past grand arch druidess of the state order, conducted the ceremonies. Installing marshal was Grace Hill, grand auditor of the state organization.

Other officers seated were Angie MaHood, past arch druidess; May Milo, first bard; Jersie Hutchinson, second bard; Grace Hill, recording secretary; Lillie Pezzola, financial secretary; Janet Marsh, treasurer; Dolly Brush, conductress; Marie Miller, assistant conductress; Mrs. Eleanor Cameron, inside guard; Mrs. Dorothy Hutchins, outside guard; Lorraine Fazanden, chaplain; Lorraine Todhunter, May Baker and Winifred Evans, trustees; Margaret Muller, Martha Wagner and Anne Ingersoll, auditors; Mrs. V. Lombard and Florence Young, supporters to the arch druidess; Lillian Felch, flag bearer, and Florence Young and Helen Bernardi, escorts.

Speaker at the meeting was Evelyn Weckerle, who returned Monday from the state convention in Pasadena where she was a delegate from Court St. Mary, Catholic Daughters of America. Mrs. Weckerle was elected delegate to the national convention at Pasadena in July.

A past grand regent of Court St. Mary, Mrs. Weckerle is archdiocesan chairman of the Convert League.

Mrs. Paul Dumont Writes From France

Mrs. Paul Dumont, who left her home in Daly City last month to visit her native France, has been keeping local friends posted on her travels, through letters to the Daly City Record.

In a letter dated April 29, Longuyon, France, Mrs. Dumont writes:

"Our trip was good all the way. After three days and nights on the train we arrived in New York, and sailed on the S.S. America April 14. The ocean was beautiful — not a ripple on it — and sometimes we forgot we were at sea. My sister and niece, who I feared would be seasick, never missed a meal, and as for me, the always good sailor, I even enjoyed the in-between snack they served.

"We were met at Cherbourg, France, and by the time we reached our home town our gang was large and happy. Our young niece had her camera busy trying to take in all the street sights in Paris before we came to Longuyon. After we have visited with our mother and sisters we will make the rounds in Nance and Paris.

"We have miles and miles of lilac trees around here, and we pick lillies of the valley by the ton. The fields of wheat look like home, and all the gardens are planted. It looked like a good year for the French people, but how they work.

"The young people seem happy and fairly strong; the school children clean and full of play, like those in America — but the mothers look worn out and haggard. They're the ones who went hungry and cold to keep their men and children well.

"There are about 30 homes in our town which were destroyed, like all over France, and only the lack of material stops the building. As everywhere else, the housing shortage is acute.

"We had to get ration stamps and will get them every two weeks, for bread, fats, cheese and sugar. The meat isn't rationed anymore—they have it here about four days a week, but our folks learned during the last nine years how to do with little, so none of us will go hungry. The three of us (Mrs. Dumont, her sister and niece) brought about 150 pounds of food each, and it's a great help.

"We will stay on here a few weeks more, and when there is more to see I'll write to all of you in Daly City."

PASSENGER TRAVEL

Eighty-five per cent of all passenger travel in the United States is reported by National Automobile Club to be by motor vehicle.

Marked Increase In Recorder's Fees From 1947-48, Record Shows

A record increase in total fees for the month of April was shown this week in figures released by County Recorder T. C. Rice.

According to the recorder's office, total fees for April, 1948, equalled $14,157.35, as compared with $9,971.75 during the same month last year.

A total of 5,336 papers was handled through the recorder's office during April, 1948, as compared with 3,374 during April, 1947.

Serra Fathers To Sponsor Carnival Sunday At School

A large crowd of fun-loving Peninsulans is expected next Sunday at the gala carnival to be sponsored by the Serra High School Fathers Club in the Alameda de las Pulgas auditorium.

The annual carnival, which has been highly successful in past years, is expected to be greater than ever this year. A full afternoon of games and entertainment will be climaxed with a dinner from 4 - 7 p.m. in the school cafeteria. Proceeds will be used to develop the school's athletic aned library programs.

A committee of some 50 members and associates this week was putting the finishing touches on plans and making final preparations for the big event, to which all residents of San Mateo and Santa Clara counties and their friends have been invited.

Robert E. Thompson Completes Training At San Diego Base

Robert E. Thompson, seaman recruit, USN, son of Mr. and Mrs. William A. Thompson of 246 Los Banos avenue, has completed recruit training at the Naval Training Center, San Diego, California, with Company 49, which has distinguished itself by winning the Recruit Training Efficiency Pennant and Perpetual Trophy.

To win the trophy Company 49, competing against 60 other groups, had to win four pennants on the same day, a feat last accomplished in June, 1947.

The four pennants were: Barracks Pennant, awarded for cleanliness of quarters; Bag Pennant, awarded for best condition of personal belongings; Personnel Pennant, awarded for appearance and bearing of company personnel and the Infantry Pennant, awarded for excellence on the drill field.

Thompson entered Naval service February 6 at San Francisco.

Before this he attended Jefferson Union High School.

New Arrivals

To the wife of Thomas F. P. Mullen, 1142 Brunswick street, April 20, a son.

To the wife of W. H. Hartley, Colma, April 30, a son.

To the wife of Frank D. Celeste, Colma, May 1, a daughter.

To the wife of Thomas C. Davis, 151 Broad street, May 4, a son.

To the wife of George E. Maus, 1028 Brunswick street, May 1, a daughter.

To the wife of John J. Scotto, 31 Partridge lane, April 30, a son.

To the wife of Francis X. Murray, 293 Hillside boulevard, April 27, a son.

To the wife of Alexander A. Sokol, 6642 Mission street, May 5, a daughter.

Crowds Eagerly Await Sensational 'Braziliana' Show

A fanciful combination of footwork and floating, "Braziliana," Jefferson Union High School's 1948 aquacade, continues to serve notice that it will be the finest high school production seen on the Peninsula for many years.

With rehearsals nearing completion for the evening performances on May 26, 27, and 28 at 7:30 and 9:30, the scope and originality of "Braziliana" is becoming increasingly impressive. Cast before a South American motif, the varied dancers and swimmers, bedecked in flashing Latin costumes, will execute intricate and imaginative routines. For example:

Miss Claire Allen, chosen as the best girl swimmer in Jefferson for 1947, will solo, under-water, in a metallic bathing suit and fins. For those who have never watched this most graceful of bodily arts, which gives the performer the added mobility of another dimension, her act will be an added delight.

The languid "Sleepy Lagoon" waltz — one of the highlights of the 1942 aquacade — will be repeated this year, by popular demand. Eight of Jefferson's most shapely girls, in fluorescent red bathing suits, will perform under the able coaching of Jeanne Diederichson.

Other delightful water-murals will include a boy and girl duet, a novelty conga, and an ultra-sophisticated Top Hat Revue, wherein gilt canes will be exchanged for the Australian crawl. The magnificent finale for this water-revue will remain a mystery, so that the surprise of its beauty will be a fitting climax. Suffice to say water hasn't been put to a more charming use since the discovery of Niagara Falls.

And this is only half of "Braziliana"! With Roy De Vincenzi's capable hands directing, the theatrical sequences will include some of the most fabulous costumes ever seen in a high school production.

The tickets, priced at one dollar, are on sale at Jefferson Union High School. In order that you can be present at the most convenient performance, buy yours as quickly as possible. Make "Braziliana" a family outing. Children of all ages will love it; you will, too.

Installation Of Jeff Hi P.T.A. Officers Today

Installation of new officers of Jefferson High School's Parent Teacher Association was to be held today in the school cafeteria, after a fashion tea sponsored by the association members.

Final preparations for the affair were made last Thursday by the executive board, meeting at the home of Mrs. Olga Bordsen, 614 Templeton avenue. Mrs. Virginia Davidson and Mrs. Mildred McGeein were co-hostesses.

The board meeting was conducted for the last time by Mrs. Eve Hobbs, retiring president. Mrs. Carol Freeland, secretary, presented to the group a card of merit from the Red Cross and two thank you notes — one from the San Mateo County Blood Bank and one from Mrs. A. Strohmeier, retiring president of the 17th District, C.C.P.T.

Mrs. Anne Ingersoll, delegate to the recent district meeting at Redwood City, reported to the board on district happenings.

The next board meeting is slated for June 3 at the home of the president-elect, Mrs. Mildred McGeein.

New Officers Preside At Colma P.T.A. Meet

New officers of the Colma Parent Teacher Association presided for the first time May 4 at the association's meeting at Jefferson Elementary School.

Several teachers were numbered among the evening's guests.

Refreshments were served at the meeting's end.

Court St. Mary To Elect Officers At May 20 Meet

Court St. Mary will hold election of officers at the next meeting, May 20, at 8 p.m. All members have been urged to attend.

The members will receive communion in a body at Perpetual Help Church on May 16 at 8 a.m. mass.

Grand Regent Jeanette Lacchini has returned from the 25th annual state convention of the Catholic Daughters of America held in Pasadena, California.

Helen Rode and Evelyn Weckerle, both past grand regents of Court St. Mary, also attended this convention. Evelyn Weckerle was elected delegate to the National Convention of Catholic Daughters of America, to be held in Sacramento.

El Carmelo, NSGW, To Sponsor Dance

Members of El Carmelo Parlor, NSGW, will be hosts to their friends at an informal dancing party in the clubrooms of the Grizzly Bear Club, 414 Mason street, Saturday evening, May 15.

Delegates to the Grand Parlor, Past Presidents Jack Reed and Tony Parmisano, will be the guests of honor.

A varied program of musical entertainment has been provided by the committee in charge.

El Carmelo, NDGW, To Entertain At Mothers Day Party

On Wednesday evening, May 19, El Carmelo Parlor, Native Daughters of the Golden West, will celebrate its annual Mothers' Night.

Chairman Hattie Kelly has planned the affair, which will honor mothers of Native Daughters. At 8:30 p.m. the guests will gather in the upstairs hall of the Masonic Temple for an entertaining evening to be followed by refreshments served in the banquet room.

Citizens Committee Lists Immediate Hospital Needs

Declaring that "tuberculosis is not a private misfortune, but a public health hazard," the committee for passage of the tuberculosis hospital bonds at the coming June 1 election today took occasion to remind all citizens of San Mateo county that they are members of this world's largest committee.

Committee chiefs said that they want everyone to be familiar with the "It might be you," aspect of the drive to secure the new hospital.

Two points need special emphasis, the drive leaders said.

These are:

1. Cases of active tuberculosis, untreated because of a shortage of hospital beds or because the patient has refused to accept treatment in discouraging surroundings, are a threat to everyone in each of the county's communities.

2. The proposed new hospital is not for indigent families only, but is projected for use by everyone in the county who could not afford the costs of a private institution if some member of the family was so unfortunate as to contract tuberculosis. Such costs are so high that average income families can easily qualify for use of the hospital.

They reiterated that the purpose in placing everyone in the county upon the committee to make the new hospital possible is to get everyone to familiarize himself or herself, with the needs for the hospital and the facts that it will pay for itself in assuring treatment for every resident of the county who needs it.

More concrete savings, they said, will result from selection of the community hospital site where, it is estimated, operational savings will cover the cost of the hospital during the 20 year bond period.

V. F. W. Auxiliary Helps Install Neighbor Cabinets

Several members of the local Old Glory Auxiliary, Veterans of Foreign Wars, journeyed to Half Moon Bay recently to witness installation of auxiliary officers in the Peninsula city.

A delegation of Daly City members also was instrumental in the installation of Tanforan-Burlingame Auxiliary members in a recent ceremony.

Participating in one or both of the events were Nina Hefferon, Mary Conti, Catherine McKeown, Eleanor Hatt, Rose Sweeney, Evelyn Smith, Margaret Johnson, Marie Miller, Bonnie Ellenwood, Florence Kashaba, Clara Poket, Lorraine Schneider Josephine McHugh, May Fitch, and Caroline Camello.

Off The Blotter

Mrs. Marie Bishop, 66 Bepler street, has nothing but praise for officers of the local police department. Last Monday, when Mrs. Bishop was ill, she dialed the number of the police station to enlist their aid in getting medical attention. Sergeant Dean Wood, acting desk sergeant, took the call. When Mrs. Bishop fainted in the midst of the conversation, Wood dispatched two officers to her home. Sergeant Roland Petrocchi and Officer Arthur Linhares responded, and had the situation well in hand in a few minutes' time, Mrs. Bishop said.

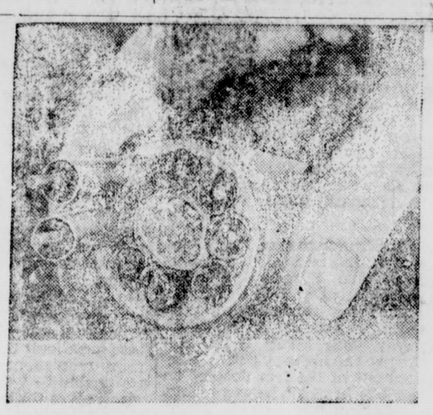
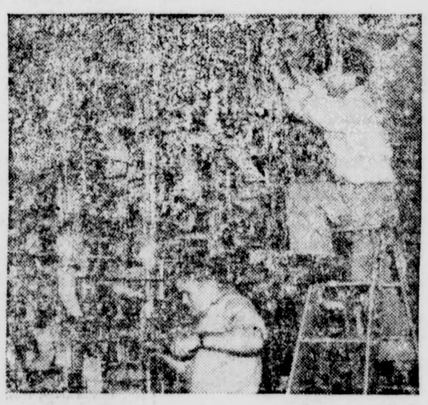
"WORLD'S LONGEST SPEAKING TUBE"
now pipe calls East



1. Imagine packing 500 voices together in a tube no bigger than a pencil and sorting them out distinctly at the end! That's what we're doing with coaxial cable. Radio-type waves whisk calls through pipes...instead of on wires...allowing one "co-ax" to do the work of a number of the more usual kinds of long distance cable.

2. We plant "co-ax" with giant plows that lay the cable in one operation. Every eight miles a "booster station" keeps calls going through clearly. For—incredible as it seems—high frequency waves fade so rapidly in the cable that all the sun's energy, if it could be funneled into the pipes, would not carry half-way across the country.



3. "End of the line"...it takes huge panels of complex equipment like this to sort out the calls carried by just one cable. Since December, calls have been going back and forth from the Coast to the East over 2300 miles of "co-ax." And we're adding still more cables to augment long distance service for the growing telephone population on the Coast.

Millions of new working dollars, needed to extend and improve service, must come—not from telephone bills—but from thousands of people who put their savings to work in the telephone business. To attract these working dollars, we must pay a reasonable amount for their use. We can do this only if we sell our services at fair and adequate prices.

The Pacific Telephone and Telegraph Company
More than 70,000 people working together to furnish ever-better telephone service to the West

HI-LITES AT S.F.C.C.

By Frank Galo

Publicity for the Vagabond King, light opera to be presented here next Thursday, Friday, and Saturday, hit a new high as colorful posters were circulated around the campus. Ticket sales are very good with Tri-Epsilon Fraternity selling its quota already. Tickets are 50 cents with S.A. cards and $1 general admission.

This project, labeled as SFCC's biggest all-time production will be minutely described in next week's column. Meanwhile buy your tickets now before they sell out. They may be purchased in the main hall of the City College of San Francisco, Ocean and Phelan. (Take the K street car on Onondaga and Mission.)

Sports

Intramural play saw the Killers win their league title by upsetting the undefeated Balboa Buccaneers, 31-23 in a dramatic contest. Looking glorious even in defeat was the Buc's Leo Bucciarelli, who led the scorers with 12 points. The Clams, Ramblers, and Block SF won in their respective leagues thus qualifying for the final playoffs this week. The Block SF entered the finals only after eliminating the Eaglions in a playoff contest. Sensational Ray Schwerin, besides playing a terrific floor game under pressure, swished the winning bucket in the second overtime.

Although none of the Balboa alumni teams won league championships, they ranked high besides setting one all-time record and two seasonal records. B.A.A.C. (Balboa Alumni Athletic Club) set an all-time record for teams sponsored by entering four clubs with 34 athletes instead of the usual one team with six members. Len Scott of the Balboa Blues scored 40 points in one game as the Blues won, 82-23, for an individual and team seasonal record. The Buccaneers missed this record by one point when they won an 81-40 tilt. Scott scored 122 points for the season, three short of Rudy Pfister's all-time Alumni record of 125.

Continuing his bid for an All-Conference berth, Hal Flinn remained unbeaten as he pitched the SFCC baseball nine to a 9-5 win over Salinas in the first game of Saturday's doubleheader. Zane Kaplan hit a homerun to aid in Flinn's fourth win. Paul Nederman tasted defeat for the first time as he blew an early 4-2 lead as Salinas rallied in the final inning to capture the second contest, 5-4.

After a dismal showing in the Nationals, the track team is back home preparing forthe All-Conference meet Saturday. Only Seward Chapman, Jim Wyatt, Doss Sims, Dave Ramos, and Jim Jangan looked good in the Phoenix debacle as Los Angeles City College took the national crown.

SFCC's tennis team dropped its first contest in eight starts to Modesto, 6-1. Ralph Hillsman's golf squad meets San Mateo tomorrow.

Dis an' Dat

Dance of the week: The Latin America Club's shindig tomorrow at the West Campus auditorium. Worth the price of admission ($1.25) is Merced Gallegos' orchestra which ranks high in Latin circles.

Meet bespectacled Tom Wilson, the gent responsible for the intramural boom at SFCC. Besides heading the intramural program, Wilson coaches the tennis team. The man with the winning smile, a Napa Union High grad of '26, made a name for himself while attending the College of Pacific where he ran wild in football, basketball, tennis, track and golf. His first coaching job was at C.O.P. handling the frosh football team and the junior varsity basketball squad. From there, likeable Tom joined the SFCC staff where he lives in glory. He is now looking for an intramural manager for the fall.

Orchids to Beta Phi Beta Fraternity for donating ten per cent of Saturday night's dance proceeds to help purchase band uniforms. The cast of the Vagabond King proposes to do the same thing.

The Guardsman's campaign for a playground for the children of veterans residing in Hurley Village is beginning to pick up momentum.

BAD TO WORSE

The driver who makes a sudden turn in traffic without signalling may find that he has taken a bad turn for the worse, observes the California State Automobile Association.

MAKE NO MISTAKE

Vital statistics show that grave errors are committed daily by motorists and pedestrians, the California State Automobile Association points out.

SHUT OFF MOTOR

If your car is involved in a serious traffic accident, immediately turn off the ignition, advises the California State Automobile Association. Also, open the car windows, if possible.

San Francisco receives approximately 51 million gallons of water daily from its Hetch Hetchy System.

MOTOR VEHICLE PRODUCTION

Motor vehicle production of United States factories hit a post-war high during March of this year when a total of 492,013 units were turned out, reports National Automobile Club. This figure represents a 22,056 increase over that for the best previous month, December 1947.

NEWS FROM THE SCHOOLS

VOODROW WILSON

The students of the seventh rade are learning that many of ir words originated in early ome. The word circus comes from ie "Circus Maximus," where the rly Roman chariot races were eld. The word really means "Cir-e," and to this day circus per-rmances are held in rings of rcular shape. The Circus Maxi-us was like a huge stadium in hich 200,000 people could watch ie chariot races. The track was ound the center of the field. At ie end of the tiers of seats was an ormous canopy under which the mperor sat. Just as the president ens the baseball season, in those ys the emperor gave the signal r starting the chariot races by aving a white cloth.

The students of the high and low venth grades are studying the untry of New Zealand. New Zea-nd has neither droughts nor des-rts. Two thirds of the country is ountains and forests. And about ie third is good pasture and farm-nd. New Zealand is a country here many of the forests have en cut down to make room for eep ranches and dairy farms.

The fifth grade boys and girls e studying the early history of ir country. We had four reels of m about Williamsburg, Virginia, uring our social studies. It was ry interesting and we shall re-ember many things that it owed about "our country."

The high fourth is learning enty-five or more Mexican ords and their meanings. These ords will be useful in understand-g Mexican pictures and menus. ie pronunciation will help us to alize the beauty of the language.

The members of the fourth grade ade May baskets in art last week. ey were made of colored paper— t, folded and decorated. They re made so flowers would fit them. This class has also been arning to letter. The class has en under the supervision of Mrs. ichanan, who gave a lesson in ain and fancy lettering and the ss has found that careful let-ring is a great improvement to eir maps and pictures.

The children of the high third ade began their unit on cattle. ey have learned that cattle nches are great grassy plains hich cover wide areas of land. any of the ranches cover thou-nds of acres. Some of the largest e spread over a hundred square les or more. Few occupy less an two square miles.

Large ranches may have hun-eds or thousands of head of cat-grazing over its grassy plains. at much land is needed in a cat-ranch because the grass is ort and it takes a lot of it to ed one animal. It requires about enty acres of land to furnish ough grass for each animal.

The children in the low and high ird are studying about the Home the World. They are gathering tures of different homes to ake scrapbooks.

Election Tuesday, June 1
Elected By Vote of Entire County

CROCKER

Room 3

We are now back to our regular routine after having many visitors last week. We want to welcome a new boy to our room. He is William Walker from San Francisco. Our trip to South America continues as we have landed in Argentina and realize how very much it is like our own United States, differing mainly in its lack of minerals and by having seasons just the reverse of our own.

Room 6

Low 8th grade had a Sing-a-Tune record in class on Tuesday. The vocalist on the record sings the harmony while the class sings the melody.

Janet and Helen Foster have moved to San Francisco and will attend Fairmont School.

Room 5

The following students in the H7 grade are trying out for the track team:

Edward Haussler, David Martinez, Leo Wins, James Butenhof, Andrew Vranich and Robert Stone.

JEFFERSON

The kindergarten has been very happy helping to dramatize stories by the aid of puppets. The children have also been busy making pictures of the man ythings Goldilocks saw in The Three Bears' home. This has been a lesson involving good listening, imagination and free hand cutting. The results have been very satisfactory.

The first grade pupils have finished their social studies unit on pets. Each pupil made a booklet of his own which contained illustrations of various pets.

Among the classroom decorations was a beautiful colored cardboard parrot given by Fred Biagini of the Anchor Drug Store.

The first and second grades have been having a program of education for safety. The pupils have discussed why accidents occur and how they may be prevented. The children are now observing their school and homes to see if any safety precautions are not being practiced. Next week they will make art posters illustrating safety rules.

The second and third grades in room 6 are busy converting their grocery store into a post office. The members of the new committee appointed to take care of the necessary remodeling are Phillip Green, Toby Carlson, Judy McCullough and Wayne Giusti.

Imitating their junior varsity team, which made a clean sweep of all opposition in the Jefferson District Baseball League, Jefferson's varsity wrote finis to an undefeated and untied season by beating Woodrow Wilson School last Wednesday at Marchbanks Park.

With this win the highly prized perpetual trophy and gold and silver baseball medals go to the school and players respectively.

Members of the champion varsity squad are: Richard McDonald, c; Jim Fernandez, p; Mario Leveroni, 1b; Victor Raggio, 2b; Dwayne Strawther, ss; John Scocca, 3b; Faustino Quitevis, lf; Robert Walker, cf; Charles Maynard, rf. Alternates were Don Trevaskis, Louis Massoniand, Robert Gomez.

Members of the champion junior varsity team were: Bob McDonald, c; Jack Plunkett, p; Gilbert De Meo, 1b; Al Lagomarsino, 2b; Herb Frost, ss; Richard Guisti, 3 b; Frank Bortoli, lf; Jerold Bocci, cf; Allen Anthony, rf. Alternates were Fred Bectetta, Lee Poston and Joseph Bocci.

Thomas L. Hickey Launches Drive For Re-Election

Thomas L. (Tom) Hickey, incumbent supervisor of the first township who is seeking reelection to that post in the June 1st primary election, is getting strong support from voters and civic groups throughout San Mateo county, it was announced today by his supporters.

And the Hickey campaigners were rallying behind their candidate with the slogan — "No one understands the requirements and the needs of San Mateo county better than Supervisor Tom Hickey!"

A veteran member of the San Mateo County Board of Supervisors, the incumbent supervisor has an outstanding background of civic achievement, point out his supporters.

In a campaign statement, Supervisor Hickey said:

"It has been my pleasure to have served the people of San Mateo county for some time now and I am certainly mindful of the confidence that the taxpayers and voters of this county have placed in me, I have always tried to be worthy of that trust by adhering to the wishes of the majority of the people — and not pressure groups or minority groups or individuals.

"I sincerely hope that the voters of San Mateo county will give me the chance to again work for their interests in county government as I have in the past."

Supervisor Hickey is a resident of South San Francisco and is nominated from the First Township.

HAPPY-GO-LUCKY

Accident records prove that the happy-go-lucky pedestrian isn't always lucky and is anything but happy when he pays the penalty for his carelessness, says the California State Automobile Association.

News Notes From S. M. Jaysee

San Mateo Junior College will send six men to the Fresno Relays this week end, Coach Dell Fishback announces. Saturday the baseball team, golf squad and tennis team will continue their sports. The college mixed badminton squad recently defeated three other colleges in one afternoon, taking 15 out of 16 matches.

In the National Junior College track meet at Phoenix, Arizona, Jim Green from Lomita Park ran a fast half mile to place second in that event. The college baseball team won a doubleheader from Menlo Jaysee and now heads the league with seven straight wins.

Large crowds thronged the college campus last Friday evening when the students presented their annual carnival with concessions, vaudeville shows, dancing, and numerous prizes claiming the attention of those taking part. This Friday evening the college Chinese Club opens its dressy dress dance at the Sir Francis Drake Hotel to the college and its friends.

This week starts off the college electioneering for the choosing of new officers for the coming fall semester.

As warm weather becomes more evident, many of the college clubs are planning outings, The Business Club has spent one afternoon and evening at Adobe Creek Lodge, the Art Club and Press Club are both planning picnics at Half Moon Bay, and the astronomy students are taking a trip to Mt. Hamilton, while some of the science students recently spent a day at the University of California.

Amputees in U. S.

Between 17,000 and 18,000 members of the armed forces lost arms or legs in the recent war, about 15,000 of them in the army. Serious as these figures are in terms of suffering and lifetime handicaps, the total number is not large in comparison to the amputations steadily occurring in civilian life. Estimates place these at roughly 30,000 per year. There are several hundred thousand amputees in the country's population. Many of these were industrial casualties that were incurred in war industry

Alvin S. Hatch Poses Platform For Re-Election

Alvin S. Hatch, chairman of the San Mateo County Board of Supervisors from the Fourth Township and supervisorial candidate for reelection in the June 1st, primary election, is making a personal campaign in his bid for return to public office.

Supervisorial candidates, while nominated from their own districts, are nevertheless elected by the county at large.

In commenting on his bid for reelection, Supervisor Hatch had this to say:

"In asking for the support of the San Mateo county electorate at the polls this June 1st, I cite my past record as a supervisor. I have served in all supervisorial committees and now am chairman of the board. It goes without saying that my experience in county governmental matters will prove valuable to the taxpayers of San Mateo county if I am returned to office.

"San Mateo county is in the midst of a phenominal growth. Our county's population has increased to great proportions. New business and industrial enterprises are headed for this peninsula.

"It is with that thought in my mind that I say — the administration of your county government must be entrusted in experienced public officials who can administer progressive government."

Supervisor Hatch has the endorsement of outstanding civic organizations throughout San Mateo county. He is a resident of Half Moon Bay.

Our Grand Canyon

Northern Arizona's Grand Canyon is 217 miles long and from 4 to 18 miles wide. The canyon averages a mile in depth and represents six of the seven climatic belts, varying from desert Mexico at the bottom of the chasm to the Arctic-Alpine region at the top. Erosion by the twisting Colorado river formed this great natural wonder.

Loosen Clay

Ashes of wood, soft coal and hard coal are all valuable to loosen heavy clay soil, but it is best to let soft coal ashes weather for a season, to get rid of toxic substances.

Presidential Omen

Neither political party in the 60-year period has reelected its candidate for the presidency immediately after losing an off-year election.

Shrine Circus Coming May 20

An all-new, all-star performance is promised by Chairman Sydney E. Miller for the eighth annual Islam Temple—Polack Bros. Shrine Circus, which opens in San Francisco's Civic Auditorium Thursday, May 20, for a run of eleven nights performances and eleven matinees.

New features, most of them appearing in California for the first time, include the world-famed high-wire Berosini Troupe, Roland Tiebor's educated sea lions, the Ward-Bell Flyers, the M-G-M Hollywood elephants, Don Dorsey on the lofty trapeze, Harold Barnes dancing boogie to ballet on the tight wire, the Great Franzcisco on the high swaying pole, the Konyots' dancing horses, Ernie Wiswell's "mirthquaking" funny Ford, and a host of international acrobatic champions, including the Ivanov Trio, Chai and Somay, Para and Nino, and the Mustafas.

Also on the 2½-hour program are Mabel Stark, "tiger lady" with her performing Jungle cats; Massamilliano Truzzi, juggling genius; Dwight Moore's "mongrel revue" and Bobo Barnett, back as head of the clown department.

The circus will continue thru Sunday, May 30, with two performances daily. Saturday and Sunday matinees will start at 2:15, schoolday matinees at 3 and all night performances at 8:15.

Henry W. Edmonds Seeks Re-Election As Supervisor

Supervisor Henry W. Edmonds, war veteran and candidate for re-election to the San Mateo County Board of Supervisors from the Third Township, is getting county-wide support from war veterans and civic groups, his supporters said today.

"During the time that Supervisor Edmonds has been in office he has shown that he is an advocate of economically operated county government," said a campaign statement.

Supervisor Edmonds is a retired Army Colonel with service in World Wars I and II.

Supervisor Edmonds' service to government, say his supporters, has not only been military in nature. He is a former Redwood City councilman, Redwood City port commissioner, San Mateo County traffic commissioner and grand juror.

His association with veterans' organizations has been an active one. He is past commander of Redwood City Post, American Legion, and past state commander of the USW Veterans of N. C.

"Any campaign statement which I make shall be a brief one," Supervisor Edmonds said today.

"I am not a politician. I am only desirous of serving my community. I hope the voters will again honor me by electing me to the office I seek where I know I can be of service to my community and San Mateo county as a whole."

Use Old Felt
When you are cleaning and sorting clothes, don't discard your old felt hats. Save them, as they can be useful. Cut to shape and use the felt for coasters or vase pads or for any other object that always scratches the table. Be sure colors are moisture proof.

To Speed Reconversion
It's an old story now, but still vitally important. Save all used kitchen fats, put them in tin containers and deliver to your butcher who will give you four cents a pound for fats. Every pound of fat saved speeds reconversion.

RED ROCK CANYON
Red Rock Canyon, Kern county, is reported by National Automobile Club to afford tourists a magnificent spectacle of highly colored cliffs and an excellent specimen of erosion. Here pillared temples and fantastic formations abound.

Last-Minute Seasoning
Add the fat for flavoring vegetables either just before the vegetables come off the stove or after you have them in a serving dish. You can get more seasoning effect from less fat that way.

IT'S YOUR JOB
Wise motorists have learned that they simply can't depend on the other fellow for their safety, points out the California State Automobile Association. Keep alert — and "Take It Easy."

Count on SAFEWAY for savings that count!

There's no need to rush all over town to get the lowest prices on food—they're all here at Safeway. Under a long-established pricing policy, our first step is to give Safeway customers the benefit of our efficient way of doing business by pricing everything at the lowest point which will yield a reasonable profit. But we go beyond this in that we also meet the lowest price of every competitor, item by item, day by day, town by town. Save both time and money by getting all the low prices in town at Safeway.

Fewer Small Farms

There were fewer small farms in 1945 than in 1940; about 250,000 fewer with less than 180 acres.

RADIATOR OBSTRUCTION

Clogged air screens, or license plate frames mounted in front of the automobile radiator grille may restrict the flow of air through the radiator sufficiently to cause engine overheating, points out the California State Automobile Association.

Election Tuesday, June 1
Elected By County Wide Vote

County Republicans Extend Support To Richard Dolwig

Official endorsement by all San Mateo County Republican groups has been extended Assemblyman Richard J. Dolwig's campaign for reelection.

To date Dolwig has received party endorsements from: San Mateo County Republican Central Committee, San Mateo County Republican Assembly, San Mateo County Council of Republican Women and San Mateo County Unit of Pro-America.

Word was received this week from J. R. "Rufe" Klawans, legislative chairman, Veterans of Foreign Wars, that his organization has given Dolwig's campaign its blessing. Klawans' letter to Dolwig stated, "We were successful in all veterans legislation during the last session and this was due to a great extent to the cooperation which we received from you . . . . "

A large veteran group has already been named to further Dolwig's campaign for reelection as San Mateo County's Assemblyman.

Many of the county's most prominent Democrats are lending their efforts to insure Dolwig's reelection at the June primary. Heading the Democrats for Dolwig movement is Louis B. Dematteis, Redwood City attorney, and former San Mateo county deputy district attorney.

Janice Louise Is Three Weeks Old

The Volkman family of Daly City and Colma — already a large and prominent clan of townspeople —has welcomed another tiny addition into its ranks.

Three-weeks-old Janice Louise Willey, new daughter of the Clifford Willeys of San Bruno, was born April 18 in Children's Hospital in San Francisco. Her mother is the former June Volkman of W. Moltke street.

Proud grandparents of the baby girl are Mr. and Mrs. Leslie Volkman of Daly City and Mr. and Mrs. C. A. Willey of San Francisco.

Bradley Baby Born On Mothers Day

Last Sunday, Mothers Day, was truly a great occasion for the Bradley family of Daly City.

The day marked the birth of James Vance Bradley, born to Mr. and Mrs. George Bradley of 718 Bellevue avenue. He is their first child — as well as the first grandchild for Mr. and Mrs. Joseph McKay, maternal grandparents, and Mrs. Joan Kelley of San Francisco, paternal grandmother.

Celebration of Christmas dates from the fourth and fifth centuries.

The clove is an unopened flower bud of an aromatic tropical tree.

competitions were presented by Miss M. Tobias, school principal.

A corsage of roses was presented to each of these new officers by Mrs. Eader, installing officer:

Mrs. Effie Jordon, president; Miss Marjorie Tobias, honorary vice-president; Mrs. Thelma Holcomb, vice-president; Mrs. Ellen Wallace, corresponding secretary; Mrs. Pearl Caine, recording secretary; Mrs. Eve Hobbs, financial secretary; Mrs. Hilda Blackburn, treasurer; Mrs. Ann Ingersoll, auditor; Mrs. Julia Jordan, historian, and Mrs. Frances Haussler, parliamentarian.

Italian Welfare Agency Sets Goal At $25,000

With an urgent appeal that "the need is greater now," the Italian Welfare Agency opens its annual fund campaign on Monday, May 17. The goal is $25,000.

Louis Ferrari, president of the agency, in announcing the 1948 campaign, stated: "Due to the heavy post-war case load increase, present facilities and personnel of the Italian Welfare Agency are woefully inadequate. Unless more money is given this year than ever before," he declared, "the Agency will be unable to operate effectively."

Ferrari pointed out that the Italian Welfare Agency is the only organization of its kind in California and that its welfare activities frequently extend far from the home office in San Francisco's North Beach district.

Louis A. Petri, young president of the Petri Wine Company, is general chairman of the drive. He announced today that campaign headquarters has been established at 511 Columbus avenue, San Francisco 11, and joined other State-wide leaders of California's Italian-American population in urging "please give generously this year when the need is greater than ever before."

Joseph DiGiorgio, Frank Marini, Angelo Petri, A. E. Sbarboro, Leo M. Bianco, Mrs. Marie Garibaldi, Ralph Montali, Armond DeMartini and Salvatore Reina are members of the 1948 Campaign Council. The campaign is under the direction of Bill Simons.

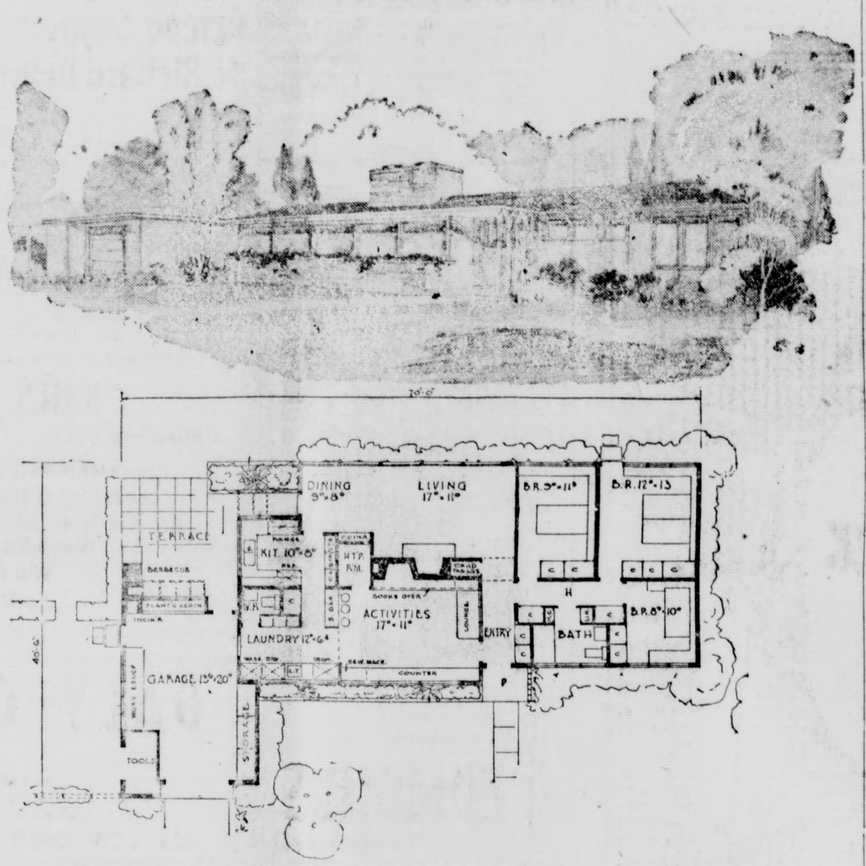
Has Built-in Furniture



Today we have recognized the need in a home where the pursuits of active living can be taken care of adequately. The activities room, kitchen, laundry and hobby garage in this home are planned for real use by the entire family and their friends. Study these rooms carefully and see how well they work with the rest of the house and the outdoors. Note the number of built-in features. There are thirteen storage wall units in the bedroom wing plus the efficiently planned built-in furniture. The house comprises 1450 square feet, excluding garage.

Dwelling shown above is a photograph of a scale model of a "cut-out" home which can be obtained from House Beautiful Magazine for $2.00. The model is easily assembled, and gives the prospective home builder an actual model of the home he plans to build, complete with "cut-out" furniture.

By studying the scale model, the prospective builder is enabled to determine what changes he deems necessary before the house is actually built, thereby saving needless expense.

Blueprints and specifications of the dwelling shown above can be obtained for $5 per set by writing House Beautiful Magazine, 572 Madison Avenue, New York City 22, New York.

Jehovah's Witnesses To Hold Convention At S. F. Cow Palace

One of the largest conventions ever to come to San Francisco will be held in the Cow Palace, May 28-30.

This will be under the auspices Society of Brooklyn, New York, and Jehovah's Witnesses from seventeen Western States will be in attendance. These seventeen states comprise what is known as "U. S. District No. 6" and 10,000 or more are expected to be at the Cow Palace.

All available accommodations are now being checked by the Convention Committee representing Jehovah's Witnesses. All hotel and motel space will be needed in addition to something new to this part of the country. Hundreds of Jehovah's Witnesses are now making a house-to-house canvass and hundreds of Bay Area residents have already made their extra rooms available to the conventioneers.

One primary purpose of the convention will be a discussion of the business of U. S. District No. 6 and probably the naming of the next Western city in which a convention will be held. Representative ministers from all 25 Circuits which comprise U. S. District No. 6 will be in attendance to discuss various problems arising in their part of the District.

Wins Honors In Two Competitions

Guadalupe Parlor No. 153, Native Daughters of the Golden West, was singularly honored April 30 by the presentation of a prize for largest attendance at the reception for Grand President Doris Treat.

The parlor also shared in second prize honors with Guadalupe Parlor of Native Sons in a recent drum corps contest at Los Banos.

At an election meeting and spaghetti feed April 26, these grand parlor delegates were elected: Helen Castle, Rita Rovegno, Lulu Porter and Velma Parritt.

Graduate Regent To Pay Visit To Women Of Moose

Grace Courtney, graduate regent of Women of the Moose and associate dean of the Academy of Friendship, will pay an official visit to San Francisco Chapter 739 today, May 13, in the Odd Fellows building, 26 27th street.

Class initiation will feature the 8:15 meeting. Mrs. Arline Ayers, child care chairman, will be hostess.

Officers and committee chairmen will meet May 18 at the home of Senior Regent Claire Keney, 225 Naylor street. The meeting is slated for 8 p.m. Junior Grand Regent Irene Librarry and the past senior regents will sponsor a whist party at 8:30 p.m. May 20 at No. 7 Amagon avenue, near Mission. Many valuable prizes will be awarded.

Investigate Status Of Social Security, Officials Urge

Does your wife know what she might receive under the Social Security program if you should die tomorrow?

The chances are she doesn't, unless you find out and let her know.

Many younger workers with small children do not realize that Old-Age and Survivors Insurance may provide monthly cash benefits for the widow and children in the event of the husband's death, regardless of his age.

You may have insurance worth $10,000 or more that you didn't know about. The 1 per cent taken from your pay check each week is your "premium" on this insurance.

Call or write the Social Security Administration office, Room 159, Federal Office Building, San Francisco for a free leaflet; or drop in and your questions will be gladly answered.

Then tell your wife.

San Miguel Mothers Day Tea Successful

Mrs. J. Toboni, chairman of the Mothers Day tea held May 7, today thanked the committee which helped her to stage the successful affair. More than a hundred mothers attended the tea, sponsored by the San Miguel Parent Teacher association.

TRAFFIC ACCIDENTS

Traffic fatalities and fatal accidents on California's rural highways showed a decrease for the first three months of 1948 as compared with those in the first three months of 1947, reports National Automobile Club.

While there were 419 fatalities and 360 fatal accidents during the first quarter of this year, there were 436 fatalities and 371 fatal accidents during the same quarter last year. This shows a decrease of 3.8 and 2.9 per cent respectively.

Community Concert Association Drive Starts On Monday

A drive for the sale of 840 memberships in the Daly City Community Concert Association will be launched next Monday.

Some 60 field workers in the association will contact their friends and neighbors during the six-day drive, from Monday through Saturday, and offer them the chance for a part in Daly City's first concert-sponsoring attempt.

It will be a successful drive, from all indications. Membership captains and field workers have rallied to the effort in a cooperative fashion to put it over. It must be successful, because nothing is more worthwhile.

The privilege of membership in the city-wide association is unsurpassed in value. A membership card is not only a season ticket to the series; it is a share in the association itself. A member may voice his preference as to the artists hired, by notifying the executive board of his choice. Members are the integral owners of the organization, and their compiled preferences will naturally insure a diversified selection of artists.

Next Monday, as the membership drive swings into full speed, a representative of the national association will arrive in Daly City for the energetic week-long campaign. George Needler, of Columbia Community Concerts, Inc., will outline the association's plan and broadcast its benefits at various club meetings throughout the city.

Mrs. Memory Gomez, a member of the board of directors, will tell of Daly City's progress to radio listeners. She will speak on Anne Holden's program at 3:30 p.m. Wednesday over Radio Station KGO.

Results of the first day of the campaign will be tallied Monday night, when field workers, membership captains, executives and directors meet for dinner at Estrada's Spanish Kitchen. Additional workers needed to campaign in the Crocker tract will be recruited at that time.

Headquarters for the campaign will be set up at Sprouse-Reitz variety store, where for the price of $6, including membership cost and federal tax, the association will offer a share in itself; a voice in its management, as well as admission to all concerts in the series.

Mrs. E. B. Ochander, vice-president, and Mrs. Ethel Gray, general chairman, may be contacted for application of additional workers. They can be reached at JUniper 7-7925 and JUniper 4-5465, respectively.

The board of directors includes Stanford Hannah, Mrs. Ethel Hahn, Mrs. Stella Jensen, Mrs. Pearl Jones, Mrs. M. Pauline Brown, Melford Battye, Carter Callan, Joseph Leonetti, Mrs. Memory Gomez, Vincent J. Murphy, John J. Fahey jr., Peter J. Markovich, the Rev. Adrian McKenna, R. L. Crane, the Rev. William Harberts, and William J. Sweeney.

Legion Auxiliary Whist Party Termed "Highly Successful" By Prexy

Mrs. Rose Giorni, president of the American Legion Auxiliary No. 410, and Mrs. Leslie Hansen, whist party chairman, this week expressed their thanks to the members and guests who contributed to the success of the auxiliary's May 5 whist party.

CORRECTION

In last week's account of the General Pershing P.T.A. installation banquet, the Record erroneously omitted the name of Mrs. Effie Jordan, incoming Crocker P.T.A. president, from the guest list. Mrs. Frances Haussler is outgoing president of the Crocker association and Mrs. Marie Miller is retiring president of Woodrow Wilson P.T.A.

SMOKE SIGNALS

By Carolyn Bucher

The first and most important item on the list this week is a memorandum which reads "Braziliana, the colossal water pageant, will be held May 26, 27 and 28, Wednesday, Thursday and Friday nights in the Jefferson Union High School Pool."

Costumes in gay medleys of color, and rythmic swimming routines will highlight this aquatic fantasy and make it something you will not soon forget. Mrs. Diedericksen, the swimming instructress, has combined many different swimming strokes into perfect precision routines; Miss Young is working with the boys for a comedy diving act. Mrs. Parkhurst, dancing instructress for the Aquacade, has originated many Spanish numbers to be performed on the deck of the pool; and 11 beautiful showgirls in stunning costumes will provide further decoration for the Brazilian fantasy. Roy De Vencenzi has done and is doing wonderful work on the scenery and back drops for the program. There will be two performances each night, the first performance at 7:30 and the second at 9:30. Tickets are now on sale and are $1 per person.

Recently the Singer Sewing Machine Company sponsored a contest where many high school girls modeled clothes they had made during the year and competed with those of other high schools. Bobbie Bordsen represented Jefferson, winning second prize for the formal dress she made and modeled at this fashion show. Not only were models represented from each of the schools, but also journalists. Hazel King, one of the Totem Pole columnists, covered this contest for the school paper. All the girls present at the fashion show had their pictures taken by the Chronicle's staff photographer.

It is not a surprise any more to see the many beards sprouting on the faces of some of the Jefferson boys; no it's not a back-to-the-wilderness movement, but the sprouting sage brush is part of the attire for the Block "J" 49'ers dance to be held on Friday, May 14, in the high school auditorium. To be right in style the fellows will wear Levis and the girls their very best cottons. Dancing will commence at 8 o'clock and music will be furnished by Howard Miguel and his orchestra.

S.F.C.C. Musical To Raise Funds For Playground

By Dave Hansen

At least one group of children belonging to student veteran couples will have ample recreational facilities in an overcrowded city.

The west campus auditorium at City College of San Francisco, Ocean and Phelan avenues, is the theater where Rudolph Friml's light opera, The Vagabond King, will be produced.

Herbert C. Clish, superintendent of schools, has okehed a 50 per cent cut of the gate receipts to go to the playground fund.

Tickets to the star-studded performance are available to the public at $1 per head. Tickets are sold on the campus, Ocean and Phelan avenues, or buyers may phone JUniper 5-6641.

Performances are scheduled for Thursday, Friday, and Saturday nights next week, all at 8 p.m.

Talented students from all over the country will sing feature roles.

The student veteran community of Hurley Village has a population of 550 people, including some 75 children. At present, recreational facilities consist of one sand box, two busy streets, and the muddy land surrounding the housing project.

Allan Maxwell, student manager of Hurley Village, has organized male inhabitants into a working party to set up the newly purchased playground equipment.

Two faculty members, British-thespian-instructor Lloyd Sisler and singer - instructor Flossita Badger, are producing The Vagabond King.

Teen-Age Boys Form New Club; Membership Climbs

The bug of progress has invaded so many bonnets in Daly City since the start of this year that it is difficult to keep up with the new projects while concentrating on developments of the old.

One such project which has caused a stir of activity in these parts comes from the city's youth. It is a new club, dedicated to the betterment of schoolboy life and growing right out of its objective.

The club, a yet unaffiliated organization of teen-age boys, was founded in mid-April by six youngsters from scattered parts of Daly City. Their goal was organized recreation for youth—a dream shared by their elders but yet unachieved on any large-scale plan.

The vigor and enthusiasm of these six boys has shown amazing results in the past few weeks. From a membership of six at its inception, the club has grown to 23. Their constitution is now in the making; by-laws are added with each new problem, and every action is taken by the most democratic of methods — the majority popular vote.

The club has counselors — all elected by the membership on a basis of the candidate's proven interest in the organization. One of these is Jay Johnson, of 243 Miriam street, whose wood work and machine shop has been given over to the club's convenience, and whose crafts instruction is valued highly by the members. Jay's wife Nell, whose sitting room and library are constantly inhabited by numbers of the boys, has been honored with the title of treasurer and house mother.

Only requirement for membership in the yet nameless club is that the candidate be between the ages of 13 and 19. No sponsor is necessary; a boy's application is recognized as proof enough of his desire to join. Religious and race are a matter of indifference to the club, and intolerance of these is described by the boys as "unworthy" of any of their number.

By-laws of the young organization have so far been based on a need for self-discipline. An example is the law the boys have provided for the protection of Johnson's workshop. Any member, thereby, who wilfully damages or destroys a tool must pay the cost of its repair or replace it. A tool which is broken accidentally will be repaired out of funds from the club's treasury. Because of the financial incapabilities of the membership, the club's treasury is not enhanced by dues. Funds are gained through the sale of junk or paper collected by the boys.

Among the activities the youngsters are planning are baseball, basketball, track, camping, first aid courses, swimming and numerous other sports and pastimes. They have shown a spirited interest in police work, building and aeronautics, and have elected counselors to instruct them in these fields.

The boys meet each Wednesday night in the workshop behind Jay Johnson's home. Francis Stone, the eldest of the group and a sort of big brother to the rest, is president. Dick Tooke, a 15-year-old, is secretary, and Mrs. Johnson is honorary treasurer. They meet on Wednesdays to conduct their business, but the workshop is always well inhabited. It is open to them each night after dinner and all day Saturday and Sunday, and they take good advantage of their opportunity. Johnson's time is given unsparingly, and the results of his training are obvious in the regularity of the youngsters' appearances at his shop.

A big problem now facing the rapidly growing boys' club is the need for a larger meeting place. Twenty-three boys constitute a crowd in the well-equipped but compact shop behind the Johnson home, and the club will overflow the place when its coming membership drive is launched.

In short, the youths could use a helping hand from the community. The boys have done the spadework and sewn the seed; among themselves they have found the solution to a much-speculated community problem. They only need a clubhouse.

Novena Next Week At O.L.P.H. Church

The annual Novena in honor of Our Lady of Perpetual Help will be held next week, May 16-24, with daily services in the parish.

The Rev. Alvin Wagner, head of the Diocesan Mission Band, will conduct Novena services each evening at 8 p.m., with prayers, hymns, sermons and benediction of the Blessed Sacrament.

Confessions will be heard after each evening service and before mass each day. Rev. Wagner also will be available during the day for consultation and visiting the sick. The pastor will preach at Sunday masses at 6:30, 8, 9, 10:30 and 12:15, and at weekday masses at 6:30 and 8:30 p.m. He also will be heard over the Catholic Hour May 23 and May 30 from 3 - 3:30 p.m. on station KNBC.

Evening services will be preached on the Eight Beatitudes, as follows:

May 16 — "The New Song."
May 17 — "Blessed Are the Poor in Spirit."
May 18 — "Blessed Are the Meek."
May 19 — "Blessed Are They Who Mourn."
May 20 — "Blessed Are They Who Hunger and Thirst for Justice."
May 21 — "Blessed Are the Merciful."
May 22 — "Blessed Are the Pure of Heart."
May 23 — "Blessed Are the Peacemakers."
May 24 — "Blessed Are They Who Suffer Persecution for Justice Sake."

Heart Attack Takes Jules Ny

Jules Ny, 78, retired Daly City printer was pronounced dead on arrival at Junipero Serra hospital May 5 after neighbors found him lying face down in his garden.

Ny was taken to the hospital by police when they were summoned by neighbors who discovered him lying in the yard of his home, 2 Risel street. He had been living alone since his son-in-law and daughter Mr. and Mrs. Walter Dorn left on vacation two weeks before.

Ida Mae Lasswell deputy county coroner said death had resulted from a heart attack.

Funeral services were conducted Monday from the chapel of W. C. Lasswell mortuary followed by inurnment in Olivet Memorial park.

Survivors include two sons Franklin J. and Albert F. Ny; two daughters Mrs. Walter Dorn and Mrs. Muriel G. Brindle; four grandchildren and four great-grandchildren.

Grace Presbyterian Church Receives New Everett Organ

A new Everett organ — gift to the parish on Mothers Day — was played for the first time last Sunday in the Grace Presbyterian Church.

Mrs. Freda Walker, of Fresno, and Mrs. William Harberts played the organ for the Sunday morning services. The gift was made by members of Circle Five of the church Women's Council, and Wesley and Paul Harberts of Berkeley.

Mrs. Einar Hanson and Mrs. Walker presided at the organ during the vesper service.

Next activity planned by Circle Five will be a luncheon at the Masonic Hall, 17 Hillcrest drive, at noon, May 21. Tickets are being sold by Mrs. S. A. Larson and Mrs. John Emerson.

Plans are going forward for the erection of a new Grace Church sanctuary, according to Dr. William Harberts, pastor.

Wilson P.T.A. Officials Will Attend Conclave

The executive board of the Woodrow Wilson Parent Teachers Association met Tuesday, May 4, at 42 Parkview, with Mrs. Marjorie O'Chander and Mrs. Marie Miller co-hostesses.

The meeting scheduled for May 11 was set up one week in order that Mrs. Marie Sorenson, i ing president, and Mrs. Ruth erson, vice president, could final preparations before a ing the State Convention at ramento, May 12 to 15. The officers plan to fly, leavin morning of May 12. Mrs. Miller, president, also will the convention on the 12th.

The next regular meeting association will be held Tue May 18, at 2 p.m. in the scho special meeting for installati officers will be held May 25 a p.m. The place will be anno next week at the regular me

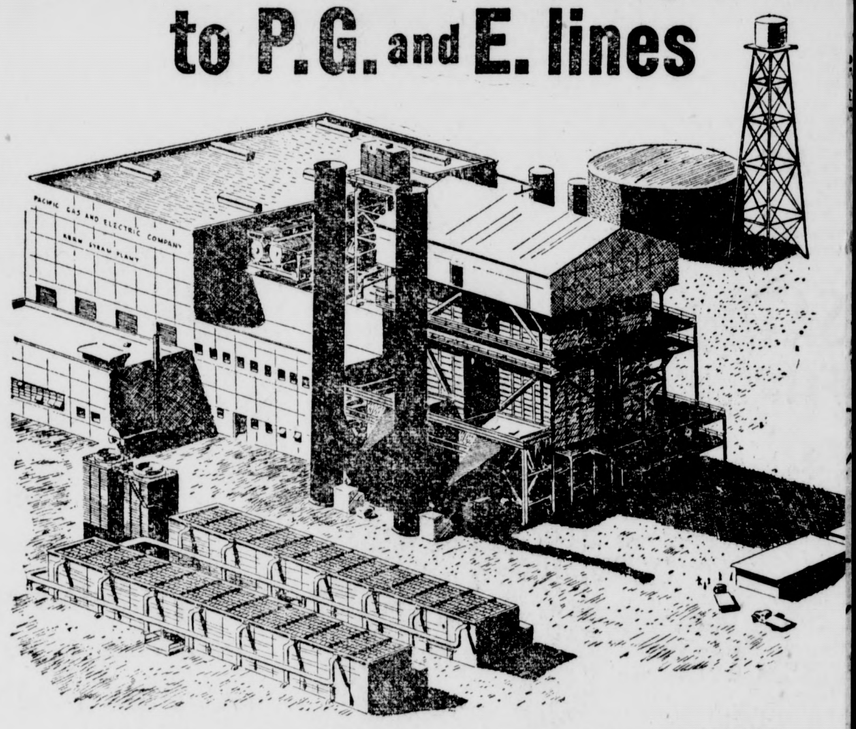
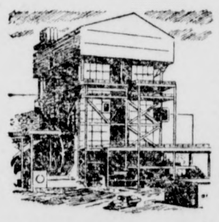
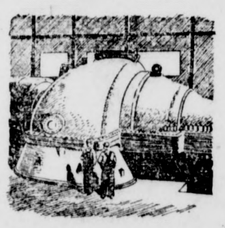
New Kern plant adds 101,000 horsepower to P.G. and E. lines



Last week, the first giant generator of P. G. and E's new Kern Steam Plant near Bakersfield, began turning out 101,000 electrical horsepower for Northern and Central California. Another and still larger generator will be completed later. This is the 70th major power plant in P. G. and E's system... already one of the nation's largest . . . and the first major unit in a $400,000,000 postwar program to add nearly two million horsepower in generating capacity. Other plants are on the way, some nearing completion. Construction is going full speed ahead all along the line.



Four towering boilers, a full eight stories high, produce superheated steam that makes generators whirl. 40 freight cars of material went into each boiler. They burn either gas or oil to make steam at 935°F. — four times as hot as that from your teakettle. It's sent to the turbines under tremendous pressure.



A mighty package of power... this generator is the heart of Kern. It was ordered originally in 1941, re-ordered after V-J Day and received only this year. Beneath its hood, the precision-made generating unit turns at 1800 revolutions per minute, pouring out new electrical energy for homes, farms and factories.

for the record

The first Kern unit produces enough power to serve Berkeley and San Jose

Tons of parts were brought in by plane to speed construction

steam output of the 4 Kern boilers would run 21 giant freight locomotives at full speed

Work never stops on our power-building program
